SPECIALISING IN COOLERS, BAGS & OUTDOOR GEAR | FOR EVERY SEASON

PRODUCT CATALOGUE

Made with a Mission

Didgeridoonas stands for a purpose; from oilskin coats to wine coolers, we make more than just a product.

It's our mission to make a positive impact on the world.

Didgeridoonas is part of the Eagle Outdoors Group. As a family-owned and run company with its beginnings in 1975, we have continued a pursuit of an ethical and meaningful existence in the business world. Working conditions and worker welfare is of paramount importance and is why we have chosen to own and operate our own manufacturing facilities in Fiji.

We are committed to transparency in our supply chain, ensuring that we have full control and visibility of the conditions of employment and the quality of products produced. We are really proud of what we have already achieved as a team across Fiji and Australia, and we are excited to see what the future brings as we continue to create opportunities for growth and enjoyment in all our workplaces.

Size Guide 31

Established in 1995, Didgeridoonas has become a well-loved Australian icon, specialising in quality coolers, bags and outdoor gear. Committed to enhancing the Aussie lifestyle, Didgeridoonas can be enjoyed all year round. With a wide range of quality products, we are confident there is something for every season and everyone!

Materials

OILSKIN:

Oilskin is a heavy cotton cloth that has been waterproofed with oil. It is a supple and robust material. It can last over 20 years if it is well cared for and gains a great amount of character and aesthetic quality over time. After a lot of wear and tear the material can lose some of its waterproof qualities. It's a simple fix. Reproof it and it will be as good as new. Our Australian Made oilskin is well loved and highly regarded by everyone who uses it.

Oilskin

WOOL:

Wool is a hygroscopic protein fibre. As the humidity of the surrounding air rises and falls, the fibre absorbs and releases water vapour. Heat is generated and retained during the absorption phase, which makes wool an amazing natural insulator, keeping our food or drink at a similar temperature for up to 6 hours, and sometimes longer. With its hygroscopic abilities, wool constantly reacts to changes in body temperature by retaining or releasing heat and moisture, so you can wear it with comfort in both cold and warm weather. We are proud to be using 100% Australian wool, a renewable fibre source that is 100% natural, breathable, resilient, odour resistant, naturally safe and 100% biodegradable.

Wool

LEATHER:

This material is well known for being durable and tough beyond measure. Completely natural and with a lovely textured look. We use several thicknesses of Nubuck leather for handles, collars and many of the trims. Leather is selected by colour, softness and durability. Rest assured, only the best is used.

Leather

Care & Maintenance

WOOL WASH

WOW

Features:

- Washes wool and oilskin
- Conditions oilskin to maintain its weatherproofing
- Gently scented with tea tree and lemon myrtle
- Contains anti-bacterial and anti-fungal melaleuca (tea tree) oil 10g/lit

 **#didgeridoonas**

 **@didgeridoonas**

We love to see our valued customers using Didgeridoonas, so tag us in your photos online and you may be featured in our pages. Keep an eye out for competitions and give aways we offer from time to time

Wholesaling

Do you own a store or know of someone who does? We are currently looking for shops and businesses to become authorised stockists for Didgeridoonas both locally and internationally.

We ensure exclusivity by only supplying to one shop per postcode.

Feel free to shoot an enquiry through to us or visit our website to fill out an application at <https://didgeridoonas.com.au/wholesale>

Custom Labels & Embroidery

Whether you are a repeat customer, a massive corporate giant or just organising a bucks party we have a ridgy didge solution to meet your gifting needs.

It's pretty simple, we take the Didgeridoonas logo off the leather product label or the leather label off all together for embroidery, and we replace it with whatever you want to put on there - whether it's your own logo or a favourite quote. Or if you want a creative piece, we can do any artwork within the confines of the label size.

And there you have it. Your very own personalised, very memorable and very long lasting Didgeridoonas gift.

Contact us today for a quote.

Returns

The size guides are provided as a guide only. All products purchased are final. Should an item not fit the buyer must return at their own cost and in resalable condition, including tags and original packaging.

For more information on our returns policy please visit our website didgeridoonas.com.au/delivery-returns/

Insulated Range

The first fridge was invented in Australia, so we know a thing or two about keeping things cool.

All of our insulated products are made with durable, waterproof Australian oilskin, insulated with 100% Australian wool to keep your drinks cool and your food fresh for at least 6 hours or longer. Wool is an active hygroscopic fibre, which makes it an amazing natural insulator as it reacts to changes in outside temperature in order to protect the temperature inside. Compared to a bulky, hard case cooler, the soft yet innovative design of oilskin and wool will prove to be a better alternative as you enjoy the style, comfort and ease of a Didgeridoonas insulated product.

'They are THE BEST cooler bags!'
- Jocelyn Nock

'Purchased a tradie's lunch box and true to the description it's great. My husband loves it, he doesn't have to carry ice bricks anymore and his food stays cool as when taken out of the fridge. It's light weight, waterproof and worth it.'
- Di Wagner

Travel & Accessories

Take Didgeridoonas on all your adventures. From small essential items to larger travel needs, Didgeridoonas has it all.

It doesn't matter if it rains, hails or shines, we'll protect and keep you comfortable. In the heat or cold, your food is fresh and drinks chilled. In every season, you can explore the world with quality by your side. The possibilities are endless with Didgeridoonas!

'This is the second Didgeridoonas wallet I have brought my hubby. The first lasted about 9 years, so had to get another one!'

- Jenny Brown

'All I can say is that it's rainproof, bulletproof, versatile, and long-lasting. It fits in with the dress-code of wherever I am, be it a suit and tie, or board-shorts and thongs. When I say that I've toted it everywhere, I mean everywhere. I'm an insulin dependent diabetic, so I have to cart needles, a meter, and food/lollies 24/7. Honestly, I'd feel naked without it.'

- Phil Higgerson

Pets Range

Ever wanted your best friend to have the same comfort and style as you?
Now you can!

Our handy pet products will have you begging for more... now treat yourself!

'I purchased the oil skin dog raincoat for my border collie. Delivery was extra quick. The item is excellent. It fits my collie very nicely. It was about the same price as the chain store bought ones. Highly recommended.'

- David Love

'Great products. The dog coat keeps our ridgeback toasty and the waterhole for dogs is awesome idea which works well. Great quality from an Australian company.'

- Kelly Wall

'These are awesome, I was struggling to find a good quality coat for my 2 great danes untill I found Didgeridoonas. 100% would recommend to anyone'

- Aaron Ford

Sport & Recreation

Designed with purpose, to complement your hobbies and activities all year round.

'Exceptional quality, a great choice, light and nevertheless solid. I discovered the brand, by chance, during a trip to Sydney fifteen years ago and I do not regret any purchases I have made since!!'
- Olivier Bertieaux

'Didgeridoonas Australia are fantastic. Long lasting, ethically produced products that work. I love mine. Have used it for twelve years and it's still going strong! Also, the best gifts for overseas friends and family. Our Canadian family love theirs.'
- Sean Barker

'Just received my new apron and I LOVE it! Absolutely love the high quality and durability of your products. I highly recommend Didgeridoonas! Thank you so much'
- Bec Decelis

'Love your saddle bag that I bought! My friends all want one now. Love the Australian Content and the quality. Thank you so much.'
- Juli Neale

Proudly Supporting

MADE WITH A MISSION

Didgeridoonas stands for a purpose; to make a difference in this world. From oilskin coats to wine coolers, we make more than just a product. It's our mission to make a positive impact on the world at large, not just on our valued customers, but also on all those who contribute to the development and production of Didgeridoonas.

Under the Eagle Outdoors Group, a family-owned and run company with its beginnings in 1975, we have continued a pursuit of an ethical and meaningful existence in the business world. Full support of all workers involved in the Eagle Outdoors supply chain is enshrined in our commitment to making a positive impact and striving to be better than the standard expected. Working conditions and worker welfare is of paramount importance and is why we have chosen to own and operate our own manufacturing facilities in Suva, Fiji.

Dissatisfied by the working conditions of some of the factories we had visited internationally, we made the decision to manufacture our textile products in Fiji to improve transparency in our supply chain and to ensure we have full control and visibility of the conditions of employment for our manufacturing employees, and the quality of products produced. We are really proud of what we have already achieved as a team across Fiji and Australia, and we are excited to see what the future brings as we continue to create opportunities for growth and enjoyment in all our workplaces.

St Christopher's Home is an orphanage in Fiji run by an Anglican Order of nuns. The Sisters are amazing women who dedicate their lives to caring for orphaned/neglected children and this organisation is one that we proudly continue to support.

To learn more about the difference we make across the world, visit the Eagle Outdoors website at <https://eagleoutdoors.com.au/the-eagle-difference>

ACTIVELY WORKING WITH

The primary objective of the Walk A While foundation is to walk alongside indigenous people using creative or visual arts as common ground. They provide youth with equipment and skills to tell their stories and to equip them to engage in meaningful employment opportunities for the future.

<https://walkawhile.org.au/>

Destiny Rescue is an internationally-recognized Christian non-profit organisation dedicated to rescuing children trapped in the sex trade. Our vision is to rescue the sexually exploited and enslaved, restore the abused, protect the vulnerable, empower the poor and be a voice for those who can't speak up for themselves.

<https://www.destinyrescue.org.au/>

Operation Foundation is a restorative organisation bringing renewal and transformation in the lives of prisoners and their communities in Fiji. Since 2006, Operation Foundation have been engaged in rehabilitation efforts with inmates and ex-inmates in Fiji. They have partnered with some of the most exciting changes within prison rehabilitation.

Clothing Range

Be protected all year round from rain or shine in our weatherproof Australian oilskin clothing.

With Didgeridoonas, you'll find your perfect fit.

'I love products that are tough and practical. My vest and Walkabout hat are two of the best things I own. Well done Didgeridoonas.'
- Phil Pearce

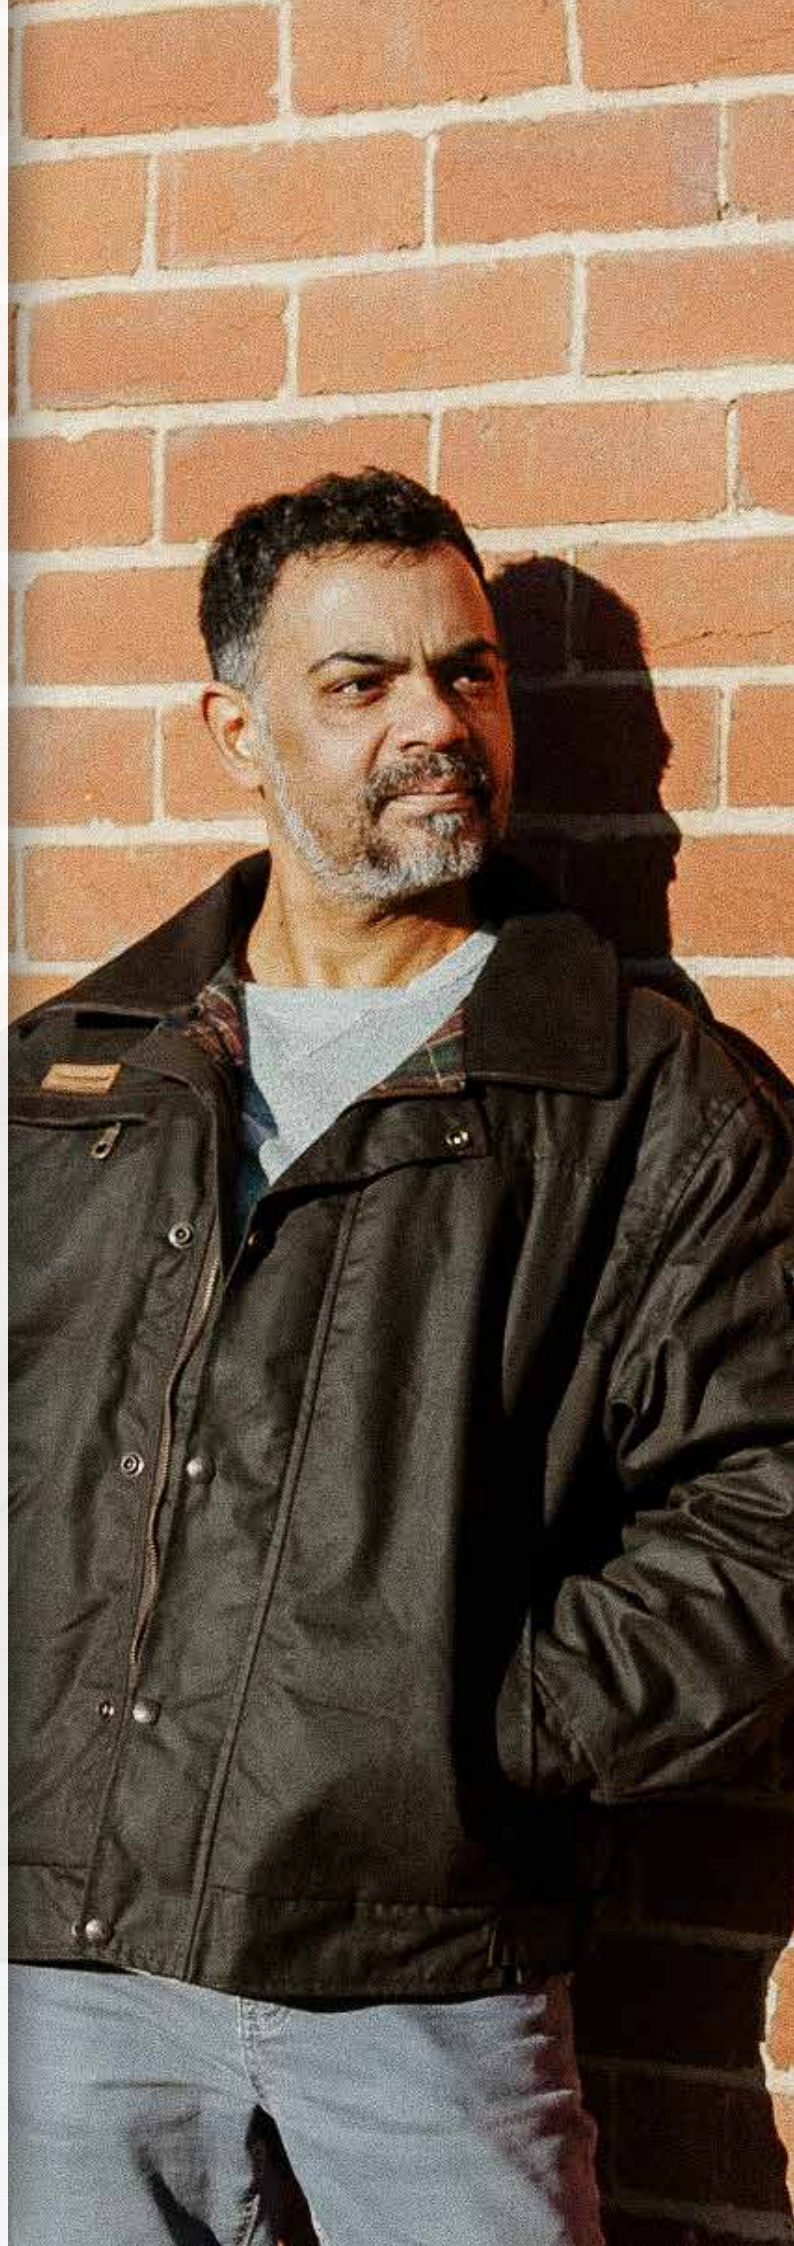

'Great sturdy well made products especially for the cold temperatures, great pricing, quick delivery and fantastic customer service.'
- Heather Harrison

'Quality product. I got the long gaitors. Email updates of order being received, then shipped, along with tracking information for international shipping. Product arrived (rural USA) within 12 days, which is faster than some items I've ordered from within the US using USPS. I would purchase from this company again.'
- Shannon Nakaya
